

NSSC PRESENTS

The second SAILFORMATION seminar

“The Complete Package”

Saturday, February 18, 2012

This presentation will focus on preparing your boat and team to win races consistently. Our guest speakers will be Wally Cross and Gary Jacoby (both have a lifetime of experience building sails and racing boats). The bar will open at 6:00 and the discussion will begin at 7:00. Our first event was well attended, so come early and enjoy talking to fellow sailors.
